

WAREHOUSE COUNT - MARTA'S NOTES

Marta counted the warehouse on 31 August after the founders had left. The inventory system was not updated.

Item	System quantity/value	Count result	Marta's note
Finally Single materials	EUR 79,000	EUR 79,000	Count agrees
Never Call Back materials	EUR 42,000	EUR 42,000	Count agrees
Basement 'premium' stock	EUR 22,000	Physically present	Wet, smells of regret, cannot be sold
Total shown in system	EUR 143,000		Includes the damaged stock

Handwritten note: 'The bottom shelf was under a leaking pipe. Boxes exist, but selling them would create a second divorce.'

WAREHOUSE COUNT - MARTA'S NOTES

Purchase records show EUR 459,000 of materials acquired during the period. Physical product materials consumed on valid delivered sales are EUR 405,000. Opening inventory was EUR 80,000.

Independent disposal quote received after takeover: EUR 2,000 to remove the damaged stock. The goods themselves have no saleable value. The quote is not included in the EUR 22,000 carrying value.

Do not confuse quantities physically present with recoverable financial value.
